

Pan-African Recognition Program to Reward Inspiring Experiences and Innovations in Decentralization, Governance, Local Development and Access to Public Service in Africa

Local Leadership Award of Excellence

APPLICATION FORM TERRITORIALIZATION OF PUBLIC POLICIES AND INTERNATIONAL AGENDAS

A. PRESENTATION OF THE LOCAL AUTHORITY (CT)

| | | | |
|-------------------------------------|-----|-------|--------|
| 1. Country | | | |
| 2. Region | | | |
| 3. Status of the local authority | | | |
| 4. Name of the local authority | | | |
| 5. Contact Phone | | | |
| 6. Electronic mail | | | |
| 7. Composition of the Local Council | MEN | | WOMEN |
| | | | |
| 8. Population size | MEN | WOMEN | YOUTHS |
| | | | |

| | | |
|---|--|--|
| 9. Community size | | |
| 10. Population density | | |
| 11. Major Economic Sector | | |
| 12. Territorial framework (to be checked) (drop-down menu) | Departmental Council | |
| | City | |
| | Municipality | |
| 13. Topic area¹ (Check the relevant area) | Citizen and community participation and engagement | |
| | Transparency and accountability | |
| | Budgetary Effectiveness and Efficiency | |
| | Inclusion, Equality and Equity | |
| | Solidarity and assistance to vulnerable communities | |
| | Territorialization of public policies and international agendas | |

¹Applicants can apply to all of the fields listed.

If you are interested in submitting to another field, please fill out another form

B. DESCRIPTION OF THE PROJECT

| |
|---|
| 1. Title of the project: |
| 2. Start date of the project: |
| 3. End date of the project: |
| 4. Name of the contact person: |
| 5. Function of the contact person: |
| 6. OBJECTIVES (maximum 100 words) |
| <p><i>Explain what is the purpose of this experiment of Territorialization of Public Policies and International Agendas?</i></p> |
| 7. DESCRIPTION OF THE DIFFERENT STEPS OF THE PROCESS IMPLEMENTED (maximum 400 words) |
| 8. RELEVANCE OF THE PROJECT (maximum 150 words) |
| <p>Explain how the objectives of the action correspond to the expectations and needs of the territory.</p> <p>How is the project in line with the problems to be solved and correctly responds to the problems identified or the real needs of your local authority?</p> <p>What is the added value of the territorialization of public policies? (place and role of territorial actors in the context of the territorialization of public policies, originality and origin of the project, etc.)</p> |
| 9. COHERENCE OF THE PROJECT (maximum 200 words) |
| <p>Explain how this experience of territorialization of public policies is consistent with local public strategies and policies?</p> <p>Explain the link between experience and national public programs and policies?</p> <p>Explain the articulation between the territorialization experience of public policies and international agendas (SDG, UEMOA, AU, etc.)</p> |

10. SUSTAINABILITY OF THE PROJECT (maximum 200 words)

At the social level, is the project the result of consultation between the local authority, the decentralised services of the State and the socio-professional categories concerned?

At the technical level, what sustainability mechanisms have been put in place to benefit this experiment? (Is the project part of a local strategy or public policy?).

From a financial point of view, demonstrate the replicability of the project approach in relation to the opportunities to reproduce or generalize it on a larger scale.

C. PROCESS IMPLEMENTATION METHODOLOGY

| Process Steps | METHODOLOGY | TOOLS RESULTING FROM THE TERRITORIALIZATION OF PUBLIC POLICIES USED (Intercommunality, location visa, GIS, Decentralized cooperation, Partnership agreements Objective or performance contracts Performance reports etc) |
|----------------------|--------------------|---|
| 1. | | |
| 2. | | |
| 3. | | |
| 4. | | |
| ... | | |
| ... | | |
| ... | | |
| n... | | |

D. OUTCOMES

1. EFFECTIVENESS (maximum 200 words)

- 1.1. Describe the main ones, the objectives set at the outset and the results resulting from the implementation of the project on the territorialization of public policies and international agendas.
- 1.2. Indicate any gaps in achievement and the modalities of inclusive governance (decision-making bodies, principle of subsidiarity, level of participation of the territorial and central actors concerned;
- 1.3. Does the project include a contractual and performance management instrument (detailed studies, economic analysis of profitability, results-based management, etc.)?

2. EFFICIENCY OF THE PROJECT (maximum 200 words)

What are the elements that have made it possible to optimise the costs (financial, human and organisational) of the intervention?

What is the level of endogenous participation of the actors and how is experience the most advantageous economic solution to solve the expectations and needs in question?

3. CAPITALIZATION OF RESULTS (maximum 200 words)

Is the documentation accessible, by what mechanism(s)?

What are the key lessons that have been learned from this experience?

4. EFFECTS/INFLUENCES ON LOCAL PUBLIC POLICY. (maximum 200 words)

Indicate whether, as a result of the project, there have been any changes in legislation, administrative interventions (plans, projects, etc.), the budget or local management.

5. EFFECTS/INFLUENCES ON THE ACTORS, ON THE POPULATIONS AS WELL AS ON THE LOCAL ADMINISTRATION (TECHNICIANS, ELECTED OFFICIALS, ETC.). (maximum 200 words)

- 5.1. Describe the medium- and long-term impact of the action on the actors and their environment (both positive and negative, expected or unexpected, economic, social, political or ecological effects).

5.2. What are the main significant and lasting changes in the lives and environments of individuals and groups with a direct or indirect causal link to the project?

E. PROSPECTS

1. FUTURE USE OF RESULTS (maximum 200 words)

What are the benefits of the project?

What is the prospect of using the results of the project by a larger audience (regional, national and international)?

2. VIABILITY OF RESULTS (maximum 200 words)

Is there a functioning performance monitoring committee?

What are the aspects that demonstrate the replicability of the project? (citizen support and ownership, community engagement around the project of territorialization of public policies and International Agendas, etc.

3. DISSEMINATION OF RESULTS AND FEEDBACK TO THE POPULATION (maximum 200 words)

Are there information and communication materials designed that deal with the results of the project?

How do people enjoy this experience within their community?

F. SUMMARY AND CONCLUSIONS

1. HIGHLIGHTS OF THE PROJECT. (maximum 100 words)

| |
|--|
| |
| 2. CHALLENGES (maximum 100 words) |
| |
| 2. OPPORTUNITES (maximum 100 words) |
| |
| 3. REASON(S) WHY IT IS CONSIDERED A GOOD PRACTICE. (maximum 100 words) |
| |
| 4. WHAT ARE THE REASONS WHY YOUR SUBMISSION IS THE BEST (maximum 100 words) |
